ELECTROPATHY.

MRS. GALLOWAY & SHEDD,

THE SCIENTIFIC MEDICAL ELECTRICIANS,

Are treating with remarkable success all acute and Chronic Diseases, at their

ELECTROPATHIC INSTITUTION, No. 1230 WALNUT Street One Door East of Thirteenth Street.

We have been engaged for many years in the noble work of giving health and happiness to the suffering and the afflicted. During this time we have treated about TWENTY THOUSAND INVALIDS suffering from the various forms of disease, and in a most every case a permanent cure has been effected. Many of them, in fact, had been given up as incurable by their physicians. We have restored to health, in a few days, thousands of persons in this city who had been suffering from painful diseases five, ten, and fifteen years and upwards. At our institution we have cured, and are curing, a class of diseases that has baffled the medical profession in all ages of the world.

Dr. WILLIAM WHITE, a gentleman of great experience in the successful practice of the Electro-Pneumatic Method, is associated with Mrs. GALLOWAY & SHEDD in this practice. By this arrangement we hope to be enabled to attend professionally to our large practice.

REMEMBER—We refer the diseased and others interested in our new practice to the following well-known gentlemen who have been treated successfully by us:—

- GEORGE GRANT, No. 616 Chestnut street. B. DESLIVER, No. 1736 Chestnut street. General FLEASANTON, No. 916 Spruce street. Major-General P. A. MORTON, U. S. Army. Hon.
